Funding Options for Parents

15 Hours Funded Early Education

All 3 and 4-year-olds are entitled to 15 hours of funded early education each week, for 38 weeks of the year. There is no charge for this funded place.

At Paper Moon, we aim to offer flexibility (subject to availability) so you can make the most of your child's entitlement. These funded hours can be taken between 8:00am and 6:00pm.

Under 5s – 30 Hours Funded Childcare

The government now provides eligible working parents with 30 hours of funded childcare for children under 5.

At Paper Moon, we are committed to helping families make the most of this entitlement. To support you, we offer the option to stretch your funded hours across our nursery's operating weeks. To find out how this could work for your child, please contact your nursery directly and speak with the Nursery Manager.

Please note: Government funding covers the delivery of early years education only. It does not include the cost of essentials such as meals, drinks, consumables, or extra-curricular activities. An Additional Service Charge will therefore apply to cover these items.

We also offer set hours where no Additional Service Charge applies. Please speak directly with the Nursery Manager for more details on these options.

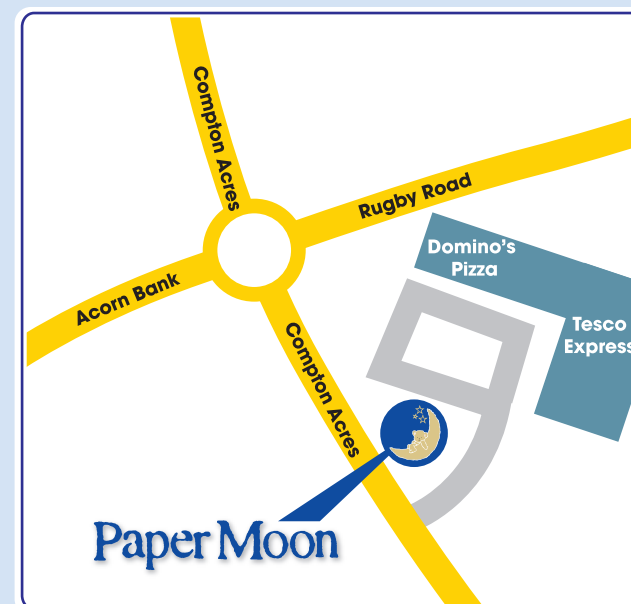

Some 2-year-olds may also qualify for 15 hours of free early education. Paper Moon Nurseries are proud to offer funded places for families who meet the eligibility criteria.

As places are limited, they are allocated to children with the greatest need, and approval from the Local Authority is required before a place can be offered. For more information, please contact your local Children's Centre or visit your Local Authority's website.

Our 70 place purpose built nursery is situated near West

Bridgford in the heart of Compton Acres.

Our dedicated team of childcare practitioners will ensure your child receives the very best care and education.

Conveniently located with easy access to Nottingham City Centre.
